BOAT TO BEER CAN ISLAND

The island features a Tiki Bar and a giant waterslide for a day of sun and fun, grown-up-spring-break-style. Please note you must be able to swim off of the boat to the island! **BRING: Swimsuit, dry clothes for after the island, sunscreen, and a hat that wont blow away.**

JET SKIING IN TAMPA BAY

1:30 PM—4:45 PM

Head out to the Gulf of Mexico on our jet skis and jet boats! The group will be divided into 2 teams. One half of the group will board jet boats and the other half jet skis. We'll head out through Tampa Bay and into the surrounding barrier islands and sandbars, led by one of the guides. While on the adventure you may encounter dolphins, manatees, sea turtles and native birds. We'll stop at an island for a quick swim and then those on the jet skis will swap to the boats for the return ride to the St Petersburg harbor. **BRING: Swimsuit or quick dry clothing, sunscreen, waterproof shoes or flip-flops. You will need to bring an ID and credit card as you will be required to sign a waiver and to leave a credit card on file in case of any damages to your jet ski while you are riding it.**
